NIPSTA's Hazardous Materials First Responder Operations is designed to meet the requirements outlined by the Illinois Office of the State Fire Marshal (OSFM). This Operations level program provides students with the advanced knowledge and skills needed to respond in a defensive manner to effectively and safely respond to a hazardous materials incident.

Students shall learn the basic skills needed to respond to hazardous materials/WMD incidents and begin the safe mitigation of a release through tabletop drills and hands on practicals while wearing Level B Chemical Protective Clothing (CPC).

The course fulfills the standards as set forth by NFPA 472, Standards for Professional Competence of Responders to Hazardous Materials Incidents.
